

Mobile Substation Relocation & Maintenance Services

Delta Star, Inc. is the premier manufacturer of mobile transformers and mobile substations in the United States. Our engineers have designed over 75% of the mobiles used by investor-owned utilities, electric cooperatives, and municipals in the North American market. With over 40 years manufacturing mobile transformers, our experience is the standard for the mobile industry.

STANDARD SERVICES

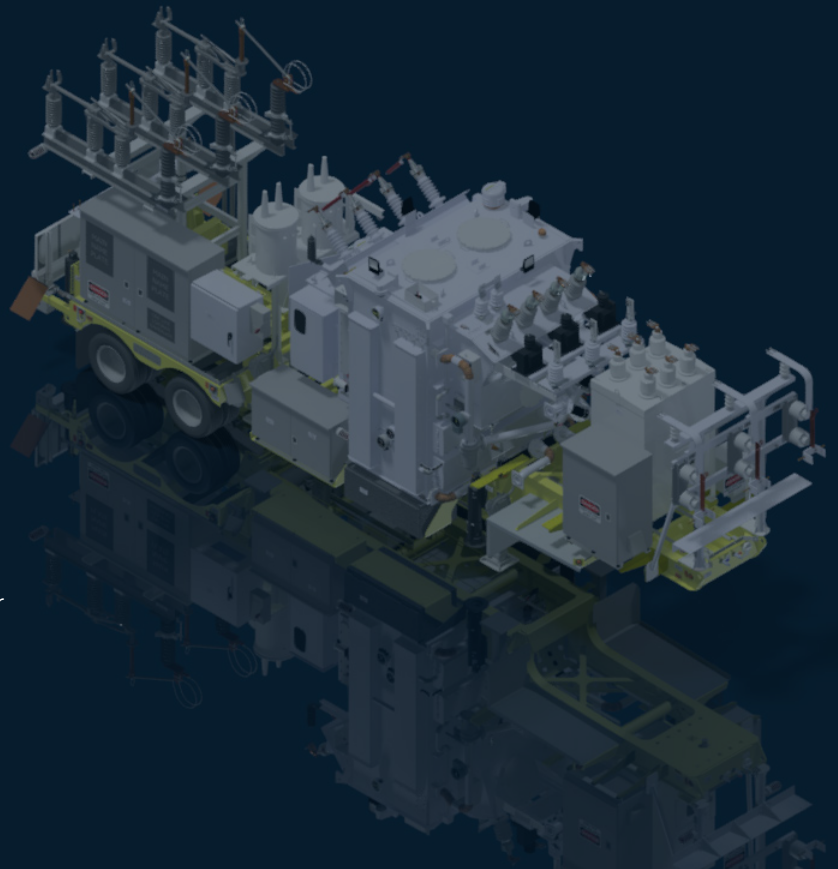

- Preparation for Transit
- Install Impact Recorder
- Heavy Haul
- SF6 Handling
- Set Up & Connection At Site

OIL PROCESSING

- Hot Oil Vacuum Filling
- Oil Degasification
- Transformer Dry Out
- Oil Quality - Sampling, Testing & Analysis
- Dissolved Gas Analysis

TESTING

- Power Factor & Capacitance – Windings
- Insulation Power Factor Bushings – C1, C2, or Hot Collar
- Excitation
- Insulation Resistance – Windings & Core
- CT (Ratio, Polarity, Saturation Curves)
- Winding Resistance
- Sweep Frequency Response Analysis (SFRA)
- Leakage Reactance

Mobile Power Made Easy

Expert Design

Superior Manufacturing

Comprehensive Testing

Expeditionary Mission Ready
